Methodology and interpretation

Read alongside README.md and the semantic model measures

Source Sales and Prior Year Amount are in USD millions.

Total Market is an aggregate source row and is excluded from category sums.

2020 has no 2019 comparator in this snapshot; its YoY growth is undefined.

The ten categories are a subset of Total Market; coverage is 96.8% in 2025.

An exact source-series / NAICS crosswalk is not supplied; do not infer it.

Interactive report measures and visual labels are in project/.
